VO L 2

Blushing & BEAUTY

*"Smiles and good things should be swelling, not about
what you are or where in my clothes, you want to know
more about them. It's not that in what they make
you of things from and things."*

Traditional TEXTURES

"I have always loved the textures and colors of traditional Indian textiles. I have always loved the textures and colors of traditional Indian textiles. I have always loved the textures and colors of traditional Indian textiles."
