My fashion is about the urban woman in the year 2020s. I think about obscure, weird things and try to create a world around them.

Fashion is the part of the daily air and it changes all the time, with all events.  
You can even see the approaching of a revolution in clothes.

When you don't dress like everyone else, you don't have to think like everyone else.

Never, ever confuse what happens on a runway with fashion.  
A runway is spectacle. It's only fashion  
when a woman puts it on.  
Being well dressed hasn't  
much to do with having  
good clothes.

I wear my sort of clothes to save me the trouble of deciding which clothes to wear.
