Songs of divinity

1004

In the sea of the main life,
you stand alone, a remnant
of life in an otherwise every-
day world. A vision of
you, clad in our marvellous
creations tells the story of
an island surrounded by
the vast and jealous
oceans, ever trying to chip
at your beauty... but fail-
ing everytime. You stand
unimpeded, untouched and
unblemished.

Many years pass until the woman you love is gone and you are left with a memory. And those reflections cause her to stay, to ponder, to reflect and ultimately to regret. You are in regret, it is perfection, it gives the thoughts of someone waiting to escape her in absolute joy. And at the same time, because the desire to see you is within and boundless.

A ballad of ancient grace

Brightening
the night sky

1006

The King is besotted with her. With her looks, with her mannerisms and with the way she dresses. Her portrait is imprinted in the inner recesses of his heart and soul. He wants to marry her and bring her to his palace. But he hesitates. Because even his palace with all its splendour is inadequate for someone so divine. He dreams, and sometimes pines for her.

Life *evolves from sand*

1005

And as they sing the strains of her beauty in the words of an ancient song. It paints a picture of her wit, her splendour, her wonder and above all, her lovely garments. All those who listen to it, discover bliss like never before.
