Beautiful

I'm going to be a fashion icon in a minute.
I'm not going to do it in a conventional manner.
I have a voice that speaks for a whole
other market not just black people,
but high-fashion urban people.
I like street wear with high fashion.
It's never been seen before.

Innocence Beauty

It's not just the beauty of the saree, it's the beauty of the woman who wears it. It's the beauty of the woman who wears it with grace and elegance. It's the beauty of the woman who wears it with confidence and poise. It's the beauty of the woman who wears it with a smile and a heart full of love.
