

*Beauty is only
skin deep. If you get right someone
find because she's beautiful
but don't have anything to talk about, it's going to get boring fast.
you want to look beyond the
surface and see if you can have fun or if you have anything to
connect with this person.*

make the heart big, the soul small, and the smiling face
small the heart, and put the soul, the soul life is the fullest
possible, and fight for your dream.*

*The beauty of a woman is not in a facial smile but the inner beauty in a woman is reflected in her soul.
It is the smiling that she brings give the person that she shares. The beauty of a woman grows with the passing years.*

I do not have much patience with a thing of beauty that need be explained to the multitude. I do not need artificial justification by someone other than the beauty itself. I question whether it has fulfilled its purpose.

*The more often we see the things around us,
even the beautiful and wonderful things,
the more they become invisible to us.
That is why we often take for granted the
beauty of this world: the flowers,
the trees, the birds, the clouds,
even those we love. Because we see things so
often, we see them less and less.*
