DIVINITY IN YOUR STRIDE

SPRING GODDESS

They surround her as she breathes the forest.
She gazes expectantly, and beams at them.
They bow in adoration, in eternal
reverence to the glory of eternal beauty. The
wind and leaves whisper away as she passes,
anticipating her perfect smile and singing
praises about her majestic aura.

LOVE FOR PARCHED HEARTS

In the desert land, the sun rises supreme and hurls down upon with relentless fury. Not only does it scorch the life, but these desolate conditions also mark the desert dry of her. Until her ingress that is. As she enters, she breathes love back into the land. Her smile is the exuberance of the sun over land.

THE GLORY OF DUSH

When the world is weary and on the verge of retiring, it is when she comes out to the world. The magnificent colors of her dresses drive away every bit of languor from weary hearts. They come as sermons, and leave us richer than ever before with this blessed experience!
