SPIRIT

"Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self expression and, above all, attitude."

The glamorous

"Anyone can get dressed up and glamorous, but it is how people dress in their days off that are the most intriguing." You gotta have style. It helps you get down the stairs. It helps you get up in the morning. It's a way of life. Without it, you're nobody. I'm not talking about lots of clothes."
