✦ D.NO.1103 ✦

A woman is standing on a bed of red roses, wearing the same green and gold embroidered dress and colorful shawl as in the first image. The background is the same rustic interior. In the top right corner, there is a logo for 'PARIZA' with the text 'پاکیزہ پرنٹس' (Pakizah Prints) below it. In the bottom right corner, there is a small text block with a quote and a reference number.

Beauty awakens the soul to act
I don't think of all the misery
but of the beauty that still remains
Experience is beauty
Beauty is in the heart of the beholder

➤ D.NO.1101 ➤

I appreciate simplicity, true beauty that lasts over time, and a little with and eclecticism that make life more fun.

Since love grows within you, so beauty grows. For love is the beauty of the soul. Inner beauty should be the most important part of improving one's self.

Beauty is when you can appreciate yourself.
When you love yourself, that's when you're most beautiful.

There is in true beauty, as in
courage, something which
narrow souls cannot dare to admire.
