## STYLISH PRINCESS

While most men across the world want to be with you, the most women are meant to be like you for ever and ever.  
For in your garments is the glory of identity, in your soul and in your magical attire the world does salvation.

Real beauty lies not in the physical appearance, but in the heart. Real happiness lies not in what you have, but in who you are. Real success lies not in what you achieve, but in who you become. Real love lies not in what you say, but in what you do. Real life lies not in what you live, but in how you live.
