"Style is knowing who you are, what you want to say and not saying a word."

"I think that because I'm overweight, [my] fantasy was lightness. So I project my fantasy to the clothes, and now all I do is light, light clothes because it's the one thing I don't have. That's why I'm too afraid to lose weight because then I might make heavy clothes."

"Fashion is only the attempt to realize art in living forms and social intercourse."

Swastika bhkala

"Style is a way to say who you are without having to speak."

Fashion is part of the daily air, and it changes all the time, with all the events.
You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes.

"Fashion has to reflect who you are, what you feel at the moment and where you're going."

Swabhkala

"Fashion is what you're offered four times a year by designers.
And style is what you choose."

"I don't believe in fashion.
I believe in costumes. Life is too short to be the same person every day."
