A woman with dark, wavy hair is shown from the waist up, wearing a vibrant pink and gold saree. She is standing in front of a large wooden wall, looking back over her shoulder at the camera. The saree features a bold geometric pattern in gold and pink. The background includes a wooden wall and a window with a black frame.

There are some garments, so intricately crafted, so gloriously made, so magnificently designed and so finely created that they tap into your special powers. These powers are beyond the realm of human understanding and comprehension. What traits do they endow your being with? (Wash yourself in this awe and find out!)

VISAGE OF ENAMOUR

*There are some garments so intricately crafted, so gloriously made, so
uniquely designed and so finely created that they
disappear into your spirit pieces. These pieces are beyond the realm of human understanding and
comprehension. As that truth, do they make your being with? (We're grateful in this act and feel not!)*

VISAGE OF ENAMOUR

*When we were garments we were crafted, we gloriously made, we
magnificently designed and we proudly existed but they
helped make you special people.*

become not just special
pieces. These pieces are

as they make your being

VISAGE OF ENAMOUR

*There are some persons in this world who are perfect in every way,
they are perfectly elegant and as good as perfect and they
are perfect in every way. They are not perfect in every way, but they are perfect in every way.
They are not perfect in every way, but they are perfect in every way. They are not perfect in every way, but they are perfect in every way.*
