Beautiful naturally
The beauty of a woman must be seen from in her eyes, because
that is the doorway to her heart, the place where love resides

The graceful delight
There is in true beauty, as in courage, something which narrow souls cannot dare to admire.

Stealing beauty
The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul.
It is the caring that she
lovingly gives the passion that she shows. The beauty of a woman grows with the passing years.

Exquisite collection
Beauty is the first present nature gives to women
and the first it takes away.
