Many years pass until he remembers you. In your own craft out of love and happiness. And then reflections seem like to stay, to provide to reflect and ultimately to repeat. Your art is magic. It is perfection. It opens the floodgate of memories waiting to erupt from an invisible glass. And at the same time he happens, because the desire to see you is endless and boundless.

In the sea of the mundane,
you stand alone, a paragon
of life in an otherwise ev-
eryday world. A vision of
you, clad in our marvellous
creations tells the story of
an island surrounded by
the vast and jealous
oceans, ever trying to chip
at your beauty... but fail-
ing everytime. You stand
unimpeded, untouched and
unblemished.

A ballad *of ancient grace*

Many years pass until he remembers you, in your son's crafted out of mirth and happiness. And these reflections cause him to stop, to ponder to reflect and ultimately to rejoice. Your son is magic, it is perfection, it opens the floodgates of memories waiting to envelop him in absolute glee. And at the same time he despairs, because the desire to see you is endless and boundless.
