Fashion is an ever-changing phenomenon in the modern world. It is a reflection of the society and the culture. It is a way of life. It is a part of the human nature. It is a part of the human life. It is a part of the human existence. It is a part of the human world. It is a part of the human universe. It is a part of the human life. It is a part of the human existence. It is a part of the human world. It is a part of the human universe.
