## STYLE

It is indeed essential to upgrade with changing trends.  
What makes your look unique is how you adore and style it.

## FEEL

Clothes should be worn for the love of them, not for the approval of anyone or anything else.  
Every look that you create/ wear reveals something about you and your thoughts.

## EXPRESSION

Clothing is a form of self-expression. There are hints about who you are in what you wear.  
Fashion is about suspense, surprise and fantasy; it is not about rules.
