In the last century the style of Indian sarees has changed more than any other garment. Once the way people dressed was simple and plain, now it is more colorful and elaborate. The saree is a garment that has been around for centuries, but it has changed so much that it is now a fashion statement. The saree is a garment that is worn by women in India and other parts of the world. It is a garment that is made of fabric and is worn in a way that is unique to the culture.
