*The
Glitz Chick*

*She lives in a world where all is
glamour. Inside the mirror
on the mirror. Spreading pig
earls, for and excitement.
When all is beautiful, she's
glitz.*

Pure Life

*As you breathe, you transform the atmosphere
of the world that surrounds you. And all that
is without, all that is lifeless, all that is pale
disappears in an instant.*

They surround her and bask upon her in awe, as if she's not mortal but a miracle. Her breezes enchant and her deities enamour. And they stop her song, so that the eyes to come too will sing of her beauty.

The term "if looks could kill" is often an exaggeration. But one look at you, and in your magical garments and the heart stops, the pulse quickens and sweat begins pouring out. You are truly the female fable.

When the golden rays of the sun pour upon the
silk, the shimmering threads of the fabric seem to
dance. The world is a canvas, and the fabric is the paint.
The fabric is a canvas, and the fabric is the paint.
The fabric is a canvas, and the fabric is the paint.
