### Breaking Toledo Java Plum

So beautiful, yet so calm. . . this remind me of one thing that  
Fashion should be a form of escapism, and not a form of imprisonment.

A photograph of two women sitting on the floor, facing each other and eating sweets. They are wearing the same traditional Indian attire as in the previous image. In front of them are several small bowls containing different types of sweets and a plate of white rice. The background is a wooden archway.

THE SPILLOVER EFFECT *Design*

From culture, colors of nature and nature's glow, Sanskar has created the designs we have for you. So enjoy them.

You made me to think right. Fashion is not necessarily about labels.  
It's not about brands. It's about something else that comes from within you.
