Manyata

VOL-2

Always wear what you want to wear
Fashion is very tough, and we shouldn't forget that
before daughters were money-matters, they were artists.

D.NO.1006

Classic

never goes out of style

Fashion isn't something you can buy, you need to have the vision of it, and most people don't.

D.NO.1004

Zook

bright all day all night

Fashion is what you're offered,
but taste is what you choose.
And style is what you choose.

D.NO.1002

Great

clothes, great ideas

If I can have any impact, I want women to feel good about themselves and have fun with fashion.

D.NO.1003

*F*ashion never sleeps so
Style is when there is something
you can't stop and you think
it looks like you're having the
goodies.

Expect more from your clothes
Style is when they're running
out of time and you're still
looking like you're looking the
