"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes."

A ROYAL STATE

"What you wear is how you present yourself to the world, especially today, when human contacts are as quick. Fashion is instant language."

967-001

"Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way to live."

"Don't let life break. Don't make brokenness you, but you decide what you are, what you want to express by the way you dress and the way to live."

THE FIRST LOOK

"Fashion is what you're offered (and comes a price) by designers, and
style is what you choose."

967-004

"There's no time to waste. Don't make excuses.
You can't just sit there and wait for the right
time. You have to make it happen by the way you
live and that way to live."
