Silk villa ❤️

Four silk scarves are stacked diagonally on a light grey background. Each scarf features a dense floral pattern in muted tones (grey, brown, red, purple) on a light background. The bottom edge of each scarf is finished with a wide, metallic gold border. The scarves are folded in a way that shows the pattern and the metallic border of each piece.

Silk villa

Four silk scarves are displayed, folded into a triangular shape. Each scarf features a central panel with a detailed botanical print of leaves in various shades of green, brown, and purple. The edges of the scarves are finished with a wide, multi-colored plaid border. The scarves are arranged in a stack, with the top one showing a purple and brown plaid, the second a green and brown plaid, the third a gold and brown plaid, and the bottom one a dark green and brown plaid. The entire set is laid out on a plain, light-colored surface.

Silk villa

Four silk scarves are displayed, folded diagonally and overlapping each other. Each scarf features a delicate floral pattern in various colors (purple, green, blue, brown) on a light cream background. The bottom corners of the scarves are finished with wide, solid-colored borders in shades of brown, olive green, and blue. The fabric has a subtle sheen and a fine texture.
