FRAGRANCE FROM GLAMOUR

I appreciate simplicity, friendliness that lasts over time, and a little wit and rebellion that make life more fun.

You be beautiful means to be yourself. You don't need to be
accepted by others. you need to accept yourself.

Beauty is when you can appreciate yourself. When you
love yourself, that's when you're most beautiful.

Beauty is the first present nature gives to women and the first it takes away.
