"What's my style is just your style, and I don't see how you can get it. It's something that's important when you see the 'other' side of it."

SAMIRA

"Don't be into trends. Don't make fashion over you, but you
decide what you are, what you want to express by the way you
dress and the way to live."

985-002

"What's my style is not your style, and I don't see how you can define it. It's something that appears, like you are in your own way."

THE CAPTURED MOMENTS

985-003

"What's my style is not your style, and I don't see how you can follow it."
Something that separates who you are to your own way."

THE CAPTURED MOMENTS

"What's one style in our wardrobe that I don't see how you can do it. It's something that represents who you are in your own way."

THE RIGHT TRACK

"What you wear is how you present yourself to the world, especially today, when
human contacts are in quick, random to instant language."

**CREATIVE
LOOKS**

"What you wear is how you present yourself
to the world, especially today, when business
contacts are so quick. Fashion is instant
language."
