MORE THEN
A WOMAN

"Fashion is just a facade, it's not a measure of how deep you are, it's all the
inside. It's not even the appearance of a woman, it's the soul. It's the
innermost thing in her."

ELEGANCE STYLE

"Fashion is just a matter of style, but style is a matter of attitude. It's the way you carry yourself, the way you look at the world, the way you live your life. It's the way you think, the way you feel, the way you are. It's the way you are, and that's what makes you elegant."

RAABTA

VOL-01

"Raabta is part of the fabric, it's not a change of the time, with all the
seasons. The essence is the spirit of a woman in a Raabta. She can
not wear anything in Raabta."
