The WOMANKIND

Fashion plays an increasingly important role in an individual's life because it is considered as a means of self-expression. The garments and accessories women wear, help them to identify with a group of others who share it as a lifestyle, profession, a religion, or an attitude. Thus, the term 'Fashion' has become synonymous with the social growth of the country as well.

Shine THEORY

what you can make you more creative in your everyday
life. fashion is everywhere in religion and culture

Ethnic *feelings*

Embroidery is a language which tells a story about the person who wears it. Clothes create a wordless means of communication, and we all understand them. People are wary of their clothes, and women look the best in them. And when it is a dress, there is no competition.

Fashion BANDHAN

The Indian traditional fashion is vast and influential throughout the world. It is one of the richest cultures Indian fashion has kept its signature

Rays OF DREAMS

However big the occasion,
your admirers can't keep
their eyes off you! Such is
the power of our creations.

There is a story behind every smile. There is a story behind every tear. There is a story behind every heart. There is a story behind every soul. There is a story behind every life. There is a story behind every love. There is a story behind every dream. There is a story behind every hope. There is a story behind every wish. There is a story behind every thought. There is a story behind every feeling. There is a story behind every action. There is a story behind every reaction. There is a story behind every response. There is a story behind every outcome. There is a story behind every result. There is a story behind every consequence. There is a story behind every effect. There is a story behind every cause. There is a story behind every beginning. There is a story behind every end. There is a story behind every journey. There is a story behind every destination. There is a story behind every path. There is a story behind every road. There is a story behind every bridge. There is a story behind every river. There is a story behind every sea. There is a story behind every sky. There is a story behind every earth. There is a story behind every sun. There is a story behind every moon. There is a story behind every star. There is a story behind every planet. There is a story behind every galaxy. There is a story behind every universe. There is a story behind every everything.
