REFLECTIVE MATERIALS

"You are here, I am not present" is the main
concept of the film. It is a story of a girl who
loses a loved one.

Tradition is part of the study and with changes and the time, with all the
modern, because even we are approaching the modernization. The new
are not but we embrace it.

"What you need to know you cannot control in the world,
especially today, when human contacts are so sparse.
Fashion is silent language."

"What you see is how our guests perceive us. We would equally value what business entities are saying. Feedback is indeed important."
