Enjoy summer celebrations

A new season calls for new style celebrations. As the temperatures begin to rise, you feel the slight nip in the air and you know that it's time to swap your winter lightweight summer dresses. With this spring summer collection, we endeavor to journey a sparkling new whole new Sadhana.

As a philosophy, we have always focused on elegance because our purpose is to celebrate the distinctive identity of our Indian heritage and the dignity of ethnic aesthetics. The concepts are derived from contemporary techniques of modern yet easily adapted to traditional motifs. In this regard, our garments have maintained a very sophisticated technology, otherwise are free yet classic and modern may be otherwise.

NOVEL STORY

For this season, our motifs are inspired personal style of women. The hope is that the clothes we offer will transcend seasons because the language is classic. Our designs are minimal and simple. As our clothes are a result of careful hours of creative designers, you will find a fresh story with each outfit and that is what makes the collection unique.

2015-2016 Collection

POWERFUL IS BEAUTIFUL.
Fashion is the most powerful art. It's movement, design and architecture all in one. It shows the world who we are and who we'd like to be.
