"FASHION IS
MORE ABOUT FEEL

THAN SCIENCE."

While there's nothing inherently wrong with following the latest fashions, not all fashions will suit everyone. It's always a best to work out the basic styles that suit you and then mix it up each season with something on trend that looks good on you, not on the catwalk model or your best friend. Make sure that you include well made, quality garments in your wardrobe and you'll never be out of style. A velvet dress in winter is a timeless style for women.

*The paradoxes of today are the
prejudices of tomorrow;
since the most
beastly and the most deplorable
prejudices have had their
moment of novelty when fashion
lost them its fragile grace.*
