

The image shows a piece of unstitched fabric for a blouse, laid flat on a white, textured surface. The fabric features a complex design with a background of thin, dark green diagonal stripes. Overlaid on this are several large, stylized floral motifs. One prominent flower is in shades of orange and yellow with a textured, almost beaded appearance. Another large flower is in shades of pink and red, also with a textured center. There are also smaller floral elements and a green section with white polka dots. The edges of the fabric are finished with a decorative border of small, colorful beads in pink, yellow, and green. The fabric is folded in several places, showing its texture and the way the patterns interact.
