Glowing
SPARKLING FINESSE

Once a great wise sage spoke of a sparkle, a glow which would consume the planet with its intensity. Those maidens were born soon after, and from a very young age glowed brighter than the evening universe. Today, their sparkle and that of their dazzling clothes have infected the universe with their inherent charm. The prophecy came true!

Dear dress is the colour of gold, woven from treasures lost across ages at the bottom of the sea. It's other folds pass, your freshness is immortal. It's the wind blows, and the waves shimmer, it is almost as if you are born from the water. Because the waves reflect you, and the ripples magnify your beauty manifold, you appear as a nymph born from the sea.

These patterns have been designed to the smallest detail to rival their features: perfect to the smallest degree. Some consider them illusions, judging from their perfection. And when they realize that these diamonds do truly exist, they marvel upon the richness of existence. And the richness of the threads that adorn them.
